Welcome

HOW TO USE THIS PLANNER

Living with PCOS means a lot to keep track of. This planner gives you **one calm place** to track your cycle, symptoms, mood, energy, and everything you want to remember for your next appointment.

- Print it, or import the PDF into a note app (GoodNotes, Notability)
- Fill in a little each day — no pressure to be perfect
- Use the monthly reflection to spot your own patterns
- Bring the appointment-prep pages to your doctor visits

Take what helps, leave what doesn't. This is **your** space. 

Disclaimer: This planner is a personal organization and tracking tool only. It is not medical advice and is not intended to diagnose, treat, cure, or prevent any condition. Always consult a qualified healthcare provider for medical guidance.
